

Sprint 1 Retrospective

- What worked
 - Splitting up the work
 - Communication
- What didn't work
 - We didn't realize Sprint 1 had started
 - Finding a common time to meet
- What to start doing
 - Finding another time to meet as a team
 - Using a backlog

Features demonstrated

-  Start a race
-  End a race
-  Toggle sensors
-  Run a simulation from a file or from input

Feature status -backlog
